

Jolly Dog School News Letter

September 2009

Dear Members

Spring is here!

With summer on its way and the afternoons heating up, please remember to bring a water bottle and a bowl with you to training. The dogs get very hot during training and it's a good thing to have water available and allow them to drink in between exercises.

Cleaning up

Please remember to bring plastic bags with you to training in order to lift any packages that your dog may leave behind. There is a bin available to deposit these into. We would like to leave the fields the way we find them.

Festive Season

I know this seems really early but if you are planning on going away during December please remember to book your pets in Kennels soon. The later you try the less likely you are of getting a booking at the Kennel that you want to use.

26 September 2009

There **will** be training on Saturday, 26 September 2009. The Public Holiday is the Thursdays and therefore is not classed as a long weekend.

Inner Peace - this is so true

If you can start the day without caffeine,
If you can always be cheerful, ignoring aches and pains,
If you can resist complaining and boring people with your troubles,
If you can eat the same food every day and be grateful for it,
If you can understand when your loved ones are too busy to give you any time,
If you can take criticism and blame without resentment ,
If you can conquer tension without medical help,
If you can relax without liquor,
If you can sleep without the aid of drugs,
...Then You Are Probably - The Family Dog!
