

Jolly Dog School News Letter

NOVEMBER 2009

Dear Members

This will be the last Newsletter of the year, and unbelievably the crazy holiday season is almost upon us. We had a successful AGM and the committee and their contact numbers are at the end of the newsletter.

Still ahead this month are –

The Club tests - Sat 7th November ----- Junior Tests 2.30pm

Sat 7th November --- Agility 1.30pm

Sat 14th November --- Senior Tests 2.30pm

Sat 14th November, there will be CANINE GOOD CITIZEN tests.

Leila the judge will only accept the first 15 people to put their names down -- starting at 1.30pm.

The big walk -- Sat 21st November at 8am

And finally our braai -- Sat 28th November at 1pm.

Dog School starts again on 16th January 2010 --the Saturday after the human schools open.

Directions for the Walk at Melville Koppies West – Leaving at 8am promptly

Beyers Naude Drive towards Melville which becomes Main Rd.

Opposite 4th Ave Melville is AYR road. Turn right into it. (May's Chemist is a landmark)

Continue on Ayr for approx 1.5km, where it becomes Korea and then Arundel.

Continue to the end of the road and park -- there will be a car guard for your peace of mind

You will see the entrance to the Koppie at the end of this short road and this is where we meet.

Notes.—the walk will take about 1 hour. Please bring water for you and your dog.

Takkies or closed shoes are recommended. We walk at an easy pace and there are a few climbs and descents.

If you get lost phone Chris 082 828 033

Directions to the braai

The braai is done by the trainers and committee and we will be ready for you all at 1pm. - regretfully no dogs.

We have it at Albert's Farm in the Lapa which is under cover as we can almost guarantee rain.

The directions are--

Beyers Naude Drive. At Northcliff corner turn West into Milner Road, which becomes 5th Street.

At the Engin Garage turn right into 7th Street, which becomes De La Ray.

You will see Albert's Farm on your left and just follow the smell of the braai.

Don't forget to bring your cutlery, crockery, and most important - the salad or pudding.

Sounds crazy, but put a jersey or fleece in the car, if it rains it gets quite chilly

I would appreciate all the new people sending me their e-mails for the newsletter.

I know they are on the registration form, but sometimes aren't clear and reject.

Also anyone else who hasn't received it on their computer

Many thanks

Shirley etebbutt@worldonline.co.za

Oddments of information

The festive season comes with human delicacies that are harmful to your dogs. Just as a reminder --- chocolate, grapes and raisins are toxic to their kidneys and liver. There have been a number of cases of Billary so we do suggest you treat your dogs with tick prevention

Over this period with owners going away there is the chance of dogs going AWOL Please consider having a microchip put into your pet’s neck. If Bonzo or Bonzette goes wandering any Vet or SPCA can scan the chip with all your details and your dog will soon be home again. We have a new trial website – www.jollydogs.webnode.com, so log on and see what there is to read.

When you reach your 80th birthday and are still training and competing regularly you deserve a special mention. HAPPY BIRTHDAY CHRIS RACHANIS and may you enjoy many more years with us.

Competition Corner

Please can all competition results be sent to both Shirley - - etebbutt@worldonline.co.za or 011 787 6303 AND Peter -- paddy@classicmail.co.za 011 022 5327
